The Company

G&P INFRA SDN. BHD., which is part of the **G&P Group of Companies**, is an engineering consulting company providing wide scope of services encompassing the disciplines of infrastructure and residential and industrial building structural design.

G&P INFRA SDN. BHD. has among its staff specialized in the respective projects. Current projects undertaken include infrastructure design for housing development schemes, landed residential, apartments, condominiums and commercial buildings' structural design, industrial buildings design, river improvement and hill-site development structural and infrastructure planning and design.

G&P INFRA SDN. BHD striving for an efficient operation of modern consulting practice adopts many new and modern management techniques and operational tools, including the utilization of software for daily engineering analysis, design and drafting.

CIVIL & STRUCTURAL SERVICES

G&P INFR A SDN. BHD. provides comprehensive infrastructure and structural engineering services for planning, design, contract administration and supervision to both private and public sectors covering the following areas:-

- Hill-site development infrastructure planning and design.
- Infrastructure design for residential and commercial development.
- Water supply network design.
- Sewer network design.
- Drainage system design.
- River improvement.
- Flood mitigation.
- Low and high rise building structural design.
- Industrial building design.
- Commercial building design.
- Government building design.
- Infrastructure works quantity surveying services.
- Infrastructure works contract administration.

Certification & Award

G&P INFRA SDN. BHD has obtained the ISO 9001:2008 certifications on 15 March 2010.

G&P INFRA SDN. BHD. has also obtained CIBD registration as IBS consultant on 21 September 2011 (Let Ref: LPIPM: SPTI/IBS/IND/02/2(4))

G&P INFRA SDN. BHD is actively involved in the design and implementation of Sungai Damansara Flood Mitigation Project which won the ACEM Gold Award of Special Merit 2010 for G&P Professionals Sdn Bhd.

G&P INFRA SDN. BHD has also obtained 5 STAR Rating in the Safety and Health Assessment System Construction (SHASSIC) for Phase G8, Elmina East Project by Sime Darby Property Berhad.
